About Us

The Sahayata Trust, guided by visionary leadership and supported by a dedicated team of volunteers across India, strives to create meaningful change in people's lives. We work to empower marginalised individuals by helping them access quality education, enabling them to become healthy and active contributors to society, and ensuring they can participate in decisions that affect their lives, alongside living and working with dignity.

To support this mission, Sahayata Trust has established educational institutions and healthcare facilities for under-served populations. In addition, we run a variety of programmes that address immediate needs, such as meal distribution, ration support, winter relief, and assistance for orphans, widows, and those facing urgent emergencies.

Objectives

- To provide relief aid to victims of natural disasters
- To improve education and health levels among Indian citizens living below the poverty line
- To provide opportunities for economic development through training, finance, and guidance
- To raise awareness and educate people on social issues
- To provide counselling for education, health, employment, and family issues
- To cooperate with like-minded individuals and organisations for the realisation of its mission and vision
