A NOTE FROM THE CHIEF EXECUTIVE OFFICER'S DESK

Dear friends,

I am overjoyed to share with you our Snapshot Report for the year 2023. This year has seen remarkable growth on multiple fronts. We embarked on new and impactful projects, expanded the reach of existing initiatives, and played a pivotal role in transforming the lives of hundreds of thousands of individuals.

In Tolichowki, Hyderabad, we proudly inaugurated our second hospital, complete with an exceptional Glaucoma Center. Additionally, as a fellow partner unit, we helped lay the foundation for the Jahangirabad Pharmacy College in Uttar Pradesh and initiated the Jahangirabad Incubation Center, among other endeavours. These achievements were made possible through the support and generosity of individuals like you.

The warmth emanating from your charitable contributions has not only sparked smiles but has also kindled the flames of hope in countless hearts. Your benevolence has altered the trajectory of numerous lives, and for that, I express my deepest gratitude. May God shower His blessings upon you for your noble deeds and grant you the strength to continue aiding those in need.

In the face of numerous challenges this year, including widespread floods in India, your invaluable assistance played a pivotal role. Your support provided shelter to those in need, enabled children to attend school, and transformed lives. Thank you for being the driving force behind these impactful changes.

I'd like to mention that your assistance transcends the immediate impact; it becomes a perpetual source of goodness, and your ongoing support will resonate through time, leaving an indelible mark on the future. You are not merely changing lives; you are shaping entire communities.

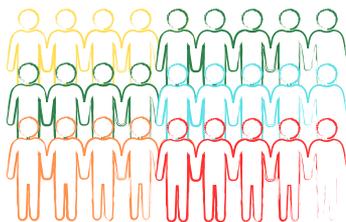

With my deepest gratitude

Syed Aneesuddin
